Talk about your school:

Antônia Kelly already knows how to write her name – she knows the vowels, too. She has a lot of fun doing her schoolwork.

Talk about you and your family:

Hello! How are you? My name is Joseane; I am Antônia Kelly's sister. I'm the one writing to you because she cannot write yet. Antônia Kelly is smart. She enjoys smiling, playing with dolls, playing ball, watching TV, going bike riding, reading, and drawing. Kelly's family is very important and very nice. She loves her family so much. She also likes having fun with her friends.
