Dear **SPONSOR**,

Issaka lets you know that he is healthy, his family as well. He sends you his greetings and wishes you the same. He lets you know that he is happy as you have chosen his son as your sponsored child. He wishes you welcome in his family. He lets you know that Gafarou's level of education does not enable him to write a letter. Issaka informs you that he is collecting manure to put in his farm. Gafarou lets you know that he likes playing football and he would like to know if there are players over there. Issaka sends you Gafarou's hand outline. He thanks you for your choice. He looks forward to reading from you very soon.

Issaka père de Grafarou

Chère Talentschmiede A.G.

Issaka est en bonne santé avec sa famille. Il dit qu'il  
vous salue et il espère la santé chez vous. Il dit qu'il  
est content parce que vous avez choisi Grafarou comme  
fillet. Issaka dit qu'il vous souhaite la bienvenue  
dans sa famille. Il dit que le niveau de Grafarou ne  
lui permet pas de vous écrire. Issaka dit qu'il ramasse du  
fumier pour mettre dans son champ. Grafarou dit qu'il  
joue au ballon. Il demande si vous avez des joueurs chez  
vous? Issaka dit qu'il vous donne le contour de la  
main de Grafarou. Il dit vous remercie pour le choix.
