Dear Talentsch_miede AG.

Receive warm greetings

My name is Abdalla Juma's father. I am writing
on behalf as Juma is still young to write to
you. Juma is growing healthy. Hope the same
to you all. Juma says thanks to hear that
you considered her your sponsor child. May
God bless you. Juma is very much happy
and hope that the relationship will continue.

Best wishes from Juma and
the whole family hope to read from you
soon.
Abdalla - Juma's father.
