Dear Friends,

Sie Evarice and his father Gowmate are delighted to write you this letter. They inform you that they are doing well and they wish you the same. Gowmate welcomes you to his family. He thanks you so much for choosing Sie ~~EVARICE~~ to be your sponsored child. Sie says that he is very glad to have a friend. He wishes that this friendship lasts long and be happy. He lets you know that for this school year, he was in grade 2. Sie ~~EVARICE~~ would like to know if you have a child of his age. He wants to know if you know yams. For, he likes eating burned yams.
